Roll Call

A regular meeting of the City Council was called to order by City Council President William H. Dwight at 7:15 p.m. On roll call, nine (9) Councilors were present:

- At-Large Councilor Jesse M. Adams
- At-Large Councilor William H. Dwight
- Ward 1 Councilor Maureen T. Carney
- Ward 2 Councilor Paul D. Spector
- Ward 3 Councilor Ryan R. O'Donnell
- Ward 4 Councilor Gina-Louise Sciarra
- Ward 5 Councilor David A. Murphy
- Ward 6 Councilor Marianne L. LaBarge
- Ward 7 Councilor Alisa F. Klein

Public Comment

- Jasper Lapienski reflected upon the crosswalk timing on the corner of South and Main Street and the desire revise traffic flow in this area in such a way as to minimize the hazards to pedestrians and motorists while eliminating the need for traffic cones on South Street.
- Steve Harrell spoke about later start times in Northampton Public Schools and summarized the benefits of this initiative on student's health and academic achievement.

Communications From
the Mayor

7:25pm – Public Hearing on Mayor's Proposed FY2015 Budget

Councilor Spector moved to open the Public Hearing regarding the City's FY2015 Budget; Councilor LaBarge seconded. The motion passed on a voice vote of 9 Yes; 0 No.

- Jasper Lapienski expressed that the City Council should take Budget review periods as an opportunity to do its own bidding on the budget, rather than accept the Mayor's proposals outright. Councilor Dwight clarified the parameters of Council authority: the Council cannot add to the proposed budget, re-allocate items from one dept. to another, and it cannot cut line items from a Department's budget. Council does, however, have the authority to reduce the amount of a department's budget.
- Councilor Spector complimented the clarity and sensibility of the budget format while Councilor Carney valued the seven-year comparison. Councilor Murphy cautioned that while FY2015 is robust, future budgets are at the mercy of several factors, including energy costs, health insurance premiums and collective bargaining agreements.
- Finance Director Susan Wright clarified the \$5 mil delta between the General Fund Budget amount cited in the Mayor's opening remarks in the Budget Book, and the Financial Order before Finance Committee tonight. While the General Fund is approx. \$85 mil, there are a number of items in the budget for which City Council does not appropriate. These include overlays for abatements for the Assessor, City Lock up charges, and charges from the State's cherry sheet for school choice and charter schools.

Councilor Adams made a motion to close the Public Hearing; Councilor LaBarge seconded the motion. The motion passed on a voice vote of 9 Yes, 0 No.
